RG104 E-1 Box 175

Treasury Department,

BUREAU OF THE MINT,

Washington, D. C., ~~March 5, 1892.~~ 189

The Superintendent, U. S. Mint,

Philadelphia, Pa.

Sir:

You are hereby instructed to suspend the coinage of five cent and one cent pieces, and to increase the coinage of eagles and half eagles at your mint.

I think during the current month you might run your mint to its full capacity on small gold coinage, as the assistant treasurer at New York is anxious to have a supply of half-eagles.

The necessary subsidiary silver coinage to meet the requirements of the Treasurer will, of course, be executed.

Very respectfully,

E. O. Leech

Director.
